Addendum_No.1_Flock_22-24.pdf

Hello-

I've attached the agreements, which expired recently. I'm thinking we'll need to do a new agreement, just for the Flock cameras since they no longer want to continue the law enforcement services. Shall I reach out to City Attorney's Office to determine the best path forward since this is an addendum to the services contract? I'm guessing we'll need a stand alone contract for the cameras. I've added @Daniel Cohen in as he's been dealing with Flock and their billing "situation". On that topic, do you recall paying for these cameras and/or how should we go about reconciling these and seeking reimbursement from HASBARCO?

Thank you!

Sara

Good afternoon Sara,

I apologize for the delay in getting back to you. I understand that Sanford Riggs had a brief conversation with Commander Lara. As you may know, we have significantly increased the security guard service at all of our developments in Santa Maria. In particular, at the Residence at Depot Street we maintain a 24-hour guard service with required sign-in. In addition, we continue to maintain a robust security camera system at each of our developments to be able to capture and relay undesirable activity that could potentially serve as prosecutable evidence. Finally, since the lifting of COVID restrictions, we have been able to evict a considerable number of tenants that were involved in drug and/or violent activities. As a result of these actions, and others, we have received feedback from townhall meetings with our tenants that they feel much safer.

With that background in mind, we have decided to discontinue the contract for additional patrols with your department. Please note we highly value the Santa Maria Police Department and continue to appreciate the excellent service we have received from your department. Our decision is based on economic considerations alone. We do wish to continue the Flock camera systems and respectfully request the contract to be modified to include continuation of that service. We also understand that the department has continued the contract under the existing terms without an extension. We further understand the department has incurred additional inflationary costs subsequent to the expiration of

that contract. We wish to reimburse the department for the additional costs incurred. Please feel free to invoice us accordingly for those additional costs.

Please let us know if this email is adequate or if you need a formal letter executed by our Executive Director for your files. As you know, many of our developments serve formerly homeless and include those with mental illness and former or current chemical additions - as such it is a difficult population to serve. All of this is to say that we will not hesitate to reach out to you again if our circumstances change.

Thank you,

Hi Sara,

I just wanted to let you know that this has been received! I was off on Friday so we haven't had a chance to review internally yet. I'll let you know if we have any questions or comments prior to signing.

Thank you,

Hi Kelsie-

Please see the attached proposed amendment to extend the contract for a year. You can send me an electronic copy once reviewed/approved and follow up with a hard copy in the mail with wet signatures.

Do not hesitate to reach out if you have any questions or need additional information.

Thank you,

Hey Kelsie,

It was nice talking to you earlier. I just wanted to let you know that I've added Sara to this email, and she'll help you get an updated contact.

Thank you.

Good afternoon Officer Lara,

Thank you for speaking with me earlier. To determine if we'll be renewing our contract with the City of Santa Maria PD, could you please send me an updated contract with any revisions from the previous contract highlighted and I will have our Executive Director review?

Thank you,
